

**ERIC T LUNDBORG P.E.**  
**Axis Group Inc.**

**Education:** B.S., Civil Engineering, Kansas State University, Manhattan

**Registrations:** Professional Engineer registered in Colorado

**Certifications:** HAZWOPER

**Summary of Professional Experience**

Over 8 years of engineering, construction, and QA/QC experience

Analyzed and prepared reports for geotechnical investigations including slope stability reports for dams and landfills

Field investigations including pilot scale investigation, environmental sampling, and surveying.

Design and quality control for the HDPE and geo-composite liners

Construction scheduling and cost estimation

Reviewed and produced construction specifications, drawings, and reports

**PROFESSIONAL EXPERIENCE**

<b>MR. LUNDBORG'S PRACTICE AREAS</b>	
Quality Assurance/ Quality Control (CERCLA ,RCRA, VCUP, Civil Projects)	Geotechnical Engineering (Slope Stability and Seepage Analysis)
Soil Solidification, Stabilization, Remediation (CERCLA, RCRA, VCUP)	Environmental Sampling (Soil, Water, Air; Organics and Metals)
Surface Water Hydrology (HEC-RAS, HEC-HMS)	AutoCAD (Civil 3D)
Soil Investigation and Remediation (SVE, Catalytic Oxidizer)	Groundwater Control (Slurry Walls, Wells, Hydraulic Barriers)
Groundwater Remediation (SVE, Air Stripping, Carbon, Chem-Ox)	Landfill Closure and Caps (Soil and Geosynthetic Covers)
Well Installation and Rehabilitation (Water Wells, NAPL Recovery Wells)	Perimeter Air Monitoring (Dust, VOC, Remote)
